Parachute

MANAGED BACKUP SOLUTION ADD ON MODULE

We will manage your backup giving you peace of mind that someone is actively ensuring that your backup is working correctly.

Backups are like a data insurance policy in the event that your hard drive fails. It is recommended that, at a minimum, you have a daily backup that you can take off site.

Parachute includes

- Fixed fee for everything including maintenance and troubleshooting of backup
- Active monitoring of your backup
- Quarterly restore tests
- Off-site backup options
- Backup options as regular as every 30 minutes
- Email confirmation of successful backups
- Quick restore
- Helpdesk
- Full disaster recovery options
- From as little as \$8/PC per month
